Special Needs :

- The school does not discriminate against students with a physical handicap. However, due to the nature of our school buildings, candidates with a physical handicap are asked to contact the school prior to completing the application form to ensure that we will be able to accommodate their individual needs.
- The school does not have a Special Needs Specialist nor a Support Unit in the school. Candidates with mild learning disabilities are asked to include any reports documenting their individual needs with their application file, so that we can determine if the school can accommodate their needs.
- The school cannot accommodate students with specific / severe learning disabilities.
- The school cannot accommodate students of exceptionally high ability and/or exceptional talent

Although an interview is not required , we recommend that every prospective student tries to visit the school.
