BRILLANTMONT
International School

Dear Madam, Dear Sir,

Lausanne, February 2011

We have some very exciting news – in March 2011 construction will commence on our multi-purpose hall, which will be built underneath the sports court in front of Monribeau. The build is expected to take around 15 months, ready for use in summer 2012.

We are very excited about this project which will provide endless opportunities for sports and leisure activities and is crucial to the long-term future of Brillantmont.

The project is mainly funded by Brillantmont, with the support of the bank. Our fundraising campaign has raised over half a million francs in donations from current parents and alumni, for which we are extremely grateful. Yet we still need further donations to reach our one million franc target.
