

## Brillantmont International School Scholarship Fund 8<sup>th</sup> / 9<sup>th</sup> Grade

Brillantmont International School has set aside a fund, which enables the school to offer scholarships to a limited number of new students who wish to enter 8<sup>th</sup> or 9<sup>th</sup> Grade.

The scholarship gives a reduction of up to 20% on the school fees for the academic year, for 8<sup>th</sup> or 9<sup>th</sup> Grade.

### Scholarship criteria

Students wishing to apply for the scholarship should:

- Have a good academic record from their previous schools
- Have an excellent behavioural and attendance record from their previous schools
- Have a hobby / interest (for example, a sport, music, dance or other)
- Display a clear motivation to become involved in life at Brillantmont
- Be a good ambassador for their country and open to other cultures

### How to apply for the scholarship?

- Students complete the school application form, clearly indicating that they wish to be considered for a scholarship
- Brillantmont will request further admissions documents and information from the student
- Brillantmont will conduct an interview with the student, at Brillantmont or by Skype

### Is there a deadline for application for the scholarship?

Since the school accepts applications throughout the school year, there is no deadline for application for the scholarship. However, since places in 8<sup>th</sup> and 9<sup>th</sup> Grade fill quickly, we recommend early application.

### How is the decision made?

The decision to grant a scholarship is based on the criteria outlined above, admissions documents and the interview between the student and the Deputy Director.

### How long does the scholarship last?

The scholarship is granted for one school year. If a student wishes to apply for a scholarship for a subsequent year, a new scholarship application must be submitted.

Brillantmont reserves the right to not offer a scholarship to an applicant.
